

CORN GLUTEN

Corn Gluten is a protein rich ingredient, containing significant amounts of nutritious protein and starch. It's high digestibility properties makes corn gluten ideal to be used as feedstuff for poultry.

At HL Agro, we manufacture gluten using only superior quality corn; thus ensuring it's purity and longer shelf life.

APPEARANCE:

Coarse Powder

ODOR:

Cereal Odor

COLOR:

Bright Yellow-Gold
to Light Tan

WATER SOLUBILITY:

Non-Soluble

FUNCTION:

Natural Protein, Livestock Feed
Ingredient, Organic Herbicide

FEATURES:

Protein-Rich, Easy to Digest,
Longer Shelf Life

LEADING CLAIMS:

TECHNICAL ASPECTS

(HLAP's GUARANTEE)

- Moisture – 11%-12%
- Oil – $\leq 4\%$
- Protein – $\geq 60\%$
- Fat – $\leq 5\%$

APPLICATIONS
